

The Kinderclick Daycare

Welcome to the Kinderclick daycare! A place where every child is truly loved and cared for! We look forward for a great season together, where your child will grow and blossom, in a happy and calm environment!

We will be serving nutritious breakfast, lunch, and snack, and make sure your child drinks adequately.

We will learn lots of nice stuff like middos, parsha and yom tov, seasons, colors and shapes, etc.

We will be playing together with various toys, pretend play cooking and shopping, making a shabbos seuda, and dress up like totty or mommy or fixerman...

We will also do lots of fun activities like dancing, singing, reading books, and many crafts like coloring, dot painting, gluing, stickers, and more...

Summertime we will enjoy outdoor activities, playing with bikes, bubbles, and sandbox...

We will ensure your child comes home with a smile everyday!

The Kinderclick Daycare

I have reviewed the following policies and information:

- ☐ Program activities
- ☐ Meal policy
- ☐ Nap policy
- ☐ Behavior policy
- ☐ Diaper changing/toilet training policy
- ☐ Sick child policy
- ☐ Immunizations policy
- ☐ Fire drills and shelter in place drills
- ☐ Picking up child at end of day
- ☐ Disenrollment policy

Breindy Friedman, Provider
The Kinderclick Daycare

Looking forward to a great successful season iy'h!

Program Activities:

Our program daily schedule and activities will be as follows, vaying slightly from day to day according to the children's needs:

Arrival - free play, hand washing

Breakfast, wash up, excersize routine

Learn new skill, activity to practice new skill, quiet time - color

Handwashing, snack

Naptime, hand washing, lunch, wash up

Playtime, storytime - free play

Outdoor play (weather permitting)

Quiet time - craft, music, and dance

Wash up, snack, reading books, prepare to go home.

Meal policy:

1. Breakfast will be served daily at 9:45 a.m., Snack is served at 11:45 a.m., Lunch will be served daily at 1:45 p.m. Drinks are always offered throughout the day.
2. to enable serving high quality, healthier meals and snacks, The Kinderclick program participates in the CACFP program.
 - Please fill out the attached form to enroll your child.
 - If your child has any food allergies i.e. milk, nuts, fruits, etc. we will need a letter from your doctor stating the childs allergy/ies and which alternative food your child should be served instead.
 - The CACFP program requires **no food** from child's home to be brought into the daycare. Please make sure your child is not coming with any snacks, pretzels, cookies, etc.

Nap and rest time agreement:

Please review all information listed below and sign your name if you give permission for your child to sleep/nap with the following arrangements.

Napping/rest time happens daily from 11:45 - 1:30.

While children are napping, a caregiver will be supervising the children either directly in the room, or in another room on the same floor, while using an electronic monitor, and children will be physically checked on at least every 15 minutes.

The children will be napping in the bedroom or playroom.

There is a smoke detector in the room where the children will be sleeping.

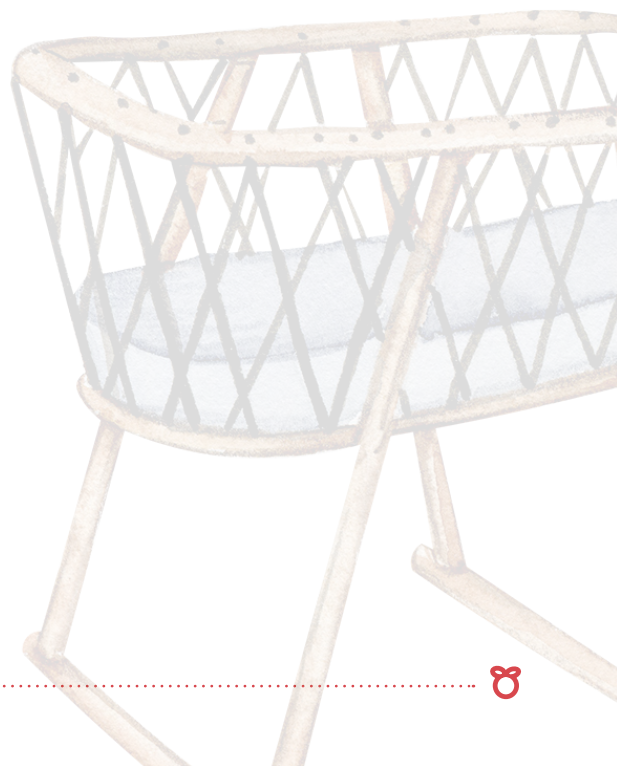

The children will be napping/sleeping on a cot.

Behavior Policy:

Challenging behaviors will be approached by pointing out the positive behavior in other children while encouraging the other ones to join in... As well as discipline in a way that promotes positive self esteem and guides children to help develop self control and responsibility for their actions through clear and consistent rules and age appropriate limits.

We will help children solve their problems by teaching them how to ask for help instead of getting frustrated or crying.

Children will be encouraged to acceptable behavior through praising and rewarding for their good behavior.

Diaper changing/toilet training policy:

There is no need to be toilet trained for our program. Children in diapers are changed frequently. Diaper changing surfaces are washed with bleach and water mixture. Caregivers use gloves for changing. We are happy to help with toilet training, though the actual training needs to be taken care of at home. Most children require at least three days at home with mommy doing the training. We will speak further as your child shows signs of toilet training readiness.

Sick child policy:

We do our best to provide an environment which is as conducive as possible to your child's growth and well being.

With that in mind we have put the following attendance policies in place:

Please let us know, when dropping off your child, if there are any changes in your child's health or well being, or if there is anything important that we need to know.

Please don't send a sick child. If he/she has fever, they can't be here (even on motrin). Only when a child is fever free for twenty-four hours, he/she can return to the program. **Please note caregivers are not allowed to dispense motrin or tylenol to your child.** If your child is not feeling well and/or develops a fever during his/her time at daycare, a staff member will contact you or one of your approved emergency contacts to pick up your child.

There is a non-medication consent form included. Please make copies if there is a need for more than one cream/lotion to be administered. Each item needs a separate consent form. This includes diaper rash creams, lotions, and the like. no other medications can be given by a caregiver.

It is required that all parents complete at least one form, indicating the consent to apply sunscreen, so your child should be able to participate in outdoor activities safely.

Our caregivers are proficient in CPR and first aid. In case of accident or serious injuries you'll be notified by a staff member immediately.

Immunizations policy:

Child's vaccinations must be up to date. If your child's vaccinations are not up to date, we will need a letter from your doctor/or appointment card stating vaccinations are scheduled and the date that they will be administered, or a medical exemption. We will not accept religious exemptions.

If you provide an appointment card, it is your responsibility to update us **the day of the appointment** with the child's updated immunization records **AND the new appointment card** (If your child is still not fully up to date).

A child for whom we do not have a fully up to date immunization record form, or an up to date upcoming appointment card, will not be allowed into the program (even for one day).

Please make sure to be on top of it to avoid inconveniences.

Following are the immunization requirements for entry into daycare according to the NYS Department Of Health:

DTAP - 4 doses

Polio - 3 doses

MMR - 1 dose

Hepatitis B - 3 doses

Varicella - 1 dose

HIB - 1-4 doses

Pneumococcal - 1-4 doses

Fire drills/shelter in place drills:

There will be one fire drill monthly as well as a shelter in place drill twice yearly. We will notify you in writing about upcoming drills a day in advance.

Emergency evacuation plan:

In case we need to evacuate the premises, in an emergency, the children will be evacuated to the Braver home at 3 Elmwood Dr. (we will walk over). Once our group has safely been

evacuated, you will be contacted by a group text message or phone call.

picking up child at the end of day:

The Kinderclick program ends at 3:40 p.m. Monday through Thursday and 12:40 p.m. on Friday. Parents must pick up their child before or at this time. If, for any reason, you, or anyone else approved to pick up your child, is unable to pick up your child, please contact me to discuss the situation.

No child can be released from the daycare home unsupervised or to any person other than the parent or person currently designated in writing by the parent to receive the child, or other person authorized by law to take custody of the child.

In the event a child is not being picked up, we will contact you, and he/she will remain in the house until one of the parents/approved person to receive child will come to pick up the child.

Please make sure to pick up your child on time, to prevent inconveniences.

Disenrollment policy:

1. The Kinderclick program accepts children ages 20 months to 3 years. If your child turns 3 after the 15th day of the month he/she may remain in the program until the end of that month.

The Kinderclick program must be notified at least one month in advance prior to disenrollment of the child at an earlier age.

2. The Kinderclick program currently accommodates only children that require a nap during the day. If at any point you feel your child is not in need of a mid-day nap anymore or we notice him/her continuously having trouble falling asleep, we will discuss enrolling him/her to school.

Parent's note for over-the-counter skin products

Parents must provide the products and the packaging information. It will be labeled with the child's name for individual use.

(Diaper ointment, sunscreen, Calamine, Benadryl, etc.)

Child's name _____

Name of product _____

Purpose of product _____

Skin area to be treated _____

When/how often _____

I request the child care providers to administer the above over-the-counter topical (skin) product as directed.

signature _____ Date _____

Weekly family share payments

All families receiving childcare assistance are required to pay a weekly family share. The weekly family share amount varies from child to child, and is determined by the childcare council based on the family's annual gross income.

Your weekly family share is: _____

You can find this information on the approval letter you've received for childcare.

We require you provide a credit card that we will charge at the end of every month. Please be aware that some months have four weeks while others have five weeks, so the charge may vary month to month. The amount of weeks per month is calculated by how many weeks start in that month, for example if the month starts on a Tuesday then that week had already been paid for in the previous month.
